

PART 2

ARCHAEOLOGIA JAPONICA

Annual Report of the Japanese Archaeological Studies and Excavations,
Fiscal Year 2021 (April 2021~March 2022)¹

II. TRENDS IN ARCHAEOLOGY IN FOREIGN COUNTRIES

¹ This part is a reproduction of the English summary section (pp. 227–239) of *Nihon Kōkōgaku Nenpō (Archaeologia Japonica)*, Vol. 74 (2022, Tokyo: Japanese Archaeological Association) with minimal editorial adjustments by the Editorial Board. Each chapter is a summary translation of the annual review of each archaeological period and activities of the Association. The original translation works were undertaken by Naoko COJERIAN (not by the Editorial Board). The style of citing papers, book chapters and books is not unified between chapters.
